

DEPARTMENT OF STUDENT AFFAIR (DoSA)

The Department of Student Affairs (DoSA) is the student representing body at WhiteHouse which works to elevate students' extracurricular experience and helps excel in different aspects of an exciting student life at the college. DoSA also acts as a bridge between the students and management that fosters innovation, creativity and initiatives that originate directly from the students. The department is managed completely by either an alumni or/ and a graduating student. This also gives an opportunity for the students to become academically as well as professionally engaged. The department focuses on managing student events, designing student growth, development programs, and handling students' queries & suggestion.

BUSINESS & ECONOMIC RESEARCH CELL (BeREC)

HWIC has started Business and Economic Research Cell (BeREC) where students, faculties and scholars are engaged in research activities in business and economic disciplines. BeREC publishes bi-annual Business and Economic Research Journal. The Cell also organizes national and international conferences annually. BeREC has maximum participation of students for the seminar and internship report writing on various themes. Students learn via hands on training on data analysis, scientific writing and international research paper replication followed by numerous short training courses.

LEADBOX TOASTMASTERS CLUB

LeadBox Toastmasters Club is a vibrant and supportive community working towards developing better communicators and leaders. The Club provides an encouraging and an active platform to develop public speaking and leadership skills along with mentorship. The Club not just provide a platform to practice public speaking skills in front of an audience but also provide effective feedback on how to improve skills in order to become the best public speaker. WhiteHouse has established the LeadBox Toastmasters Club of WhiteHouse Kathmandu where the students can improve their communication, public speaking, and leadership skills.

WHITEHOUSE ENTREPRENEURSHIP & DEVELOPMENT CELL (WeDC)

WhiteHouse Entrepreneurship and Development Cell (WeDC) explores entrepreneurial thirst and spirit inside Whitehousians and serves as a platform for idea generation, screening and implementation. The Cell supports students to start new venture through expert service and helps them in business consulting, networking as well as funding opportunities. The cell also conducts different types of workshops and trainings to connect with start-up consultants and supporters.
