University of the West of England (UWE Bristol)

UWE Bristol is one of the popular universities in Britain, with almost 30,000 students from over 140 countries worldwide. To accommodate this wealth of national and international students, UWE boasts over 3000 staff members, who work together to facilitate a total of 600 courses. As well a range of short courses, UWE offers both undergraduate and postgraduate degrees - two of which we are proud to offer here at TBC. The BBA (Hons) and the MSc in International Business Management (MIBM) are both awarded by the University of the West of England, and by joining one of them, you could have the opportunity to be a part of the 96% of UWE Bristol graduates who are in work or further studies six months after graduating.

Leeds Beckett University (LBU)

With a history dating back to 1824, Leeds Beckett is a world-class university that was featured in the Times Higher Education World University Rankings 2019. The University works with a host of businesses to ensure their research and courses are contemporary, rich and relevant, and meet the career ambitions of their students. Their reputation for excellence is reflected in their 23,000 strong student body, which is made up of students from 143 countries worldwide. LBU offers the opportunity for select institutions around the globe to teach their courses, and we are very proud to be one of them. Here at TBC we offer the BSc (Hons) Computing, BSc (Hons) Hospitality Business Management, MBA (Graduate), MBA (Executive) and MSc Information Technology which are all awarded by Leeds Beckett University.

Welcome to The British College

Why Study at The British College

The British College provides world-class education in Nepal for students who aspire to gain internationally recognised qualifications from UK Universities. In this regard we have a distinctive identity as the pioneering International College in Nepal. We offer internationally recognised degrees and courses which are relevant to the current job market, enhancing each and every student’s employability.

We attract the best and the brightest students and, consequently, TBC offers an unforgettable academic experience transcending international boundaries with thought-provoking incision. Being the pioneering International College in Nepal, we also provide our students with unparalleled international exposure and experiences.

The defining characteristic of The British College is the local-to-global approach we take in the provision of our degrees and courses. Student exchange programmes and internships with multi-national companies serve as highlights of this unique student experience. Staffed by tutors and administrative personnel from the UK and Nepal, the College provides the best international education in Nepal.

The British College offers Undergraduate Programmes and Postgraduate Programmes which are awarded by two UK universities:
The University of the West of England (UWE) and
Leeds Beckett University (LBU).

- Get value for money with a quality UK degree at a local cost. Gain the same prestigious UK degree at one fifth of the price.
- Our overall quality (student experience, academic standards, and programme delivery) is underpinned by adherence to the UK Quality Assurance Agency’s Quality Code.
- The student will earn a direct university degree rather than a degree awarded through a third party.
- To ensure that students get the education they deserve we have staff with international academic qualifications from the UK, USA, Australia and India. We are dedicated in providing students with the complete international learning experience.
- Linked with various academic institutions, TBC students have access to regular guest lecturers and speakers from the UK and other countries as well as from reputed corporate houses and public institutions in Nepal.
- Scholarships are provided for deserving students.

Education is a passport to the future, for tomorrow belongs to those who prepare for it today.'
