- To develop a strong sense of friendship and fraternity in students by making their learning and living at the college a wonderfully pleasant experience

■ WE PURSUE

- Academic Integrity
- Right Conduct and Social Values
- Positive Learning Attitude
- Discipline and Honest Work Ethic
- Leadership & Social Responsibility
- Inquisitive & Interactive Spirit
- Strict Observance of Principles

MESSAGE FROM THE CEO

Dear Students and Guardians,

Welcome to the center of excellence for BBA and BDEVS education in Nepal.

Within less than a decade, the College has facilitated hundreds of our students to fulfill their dreams by offering quality education at affordable cost. In the inspiring teaching learning environment, students can bring best out of themselves during their stay at Camad. The graduate students of Camad are not only fully prepared for their professional career, but also for the life and social responsibility. They are inculcated to address the national as well as global challenges in the field of management and development.

We provide quality education with a vision to develop Camad as a national centre of excellence and mission to develop innovative and ethical future business leaders and development practitioners to fulfill the imperative needs of the country. Teaching methods, approaches and techniques we use enable and encourage students to challenge conventional wisdom.

If you are stirred for a high quality education with the state-of-the art facilities, and motivated by rigorous academics, Camad College can be the best choice for you to materialize your dream.

Finally, I would like to express my gratitude to our students, alumni, faculty members, staffs for their invaluable contributions in making Camad College a center of excellence.

Welcome to Camad College and wish you all a very enjoyable and rewarding learning experience.

Kashi Nath Khanal
Chief Executive Officer

MESSAGE FROM THE Principal

Dear Students and Guardians,

Camad College is one of the well established and recognized colleges in the nation. We place a strong emphasis on imparting quality education from our highly experienced and qualified teaching faculties to ensure our students right combination of theory and practice that is a must to compete globally.

At Camad College, all the students undergo various trainings focused on developing communication and presentation skills, and leadership qualities. We believe all prospective students have a good knowledge and their own specific talents. Our role is just to help them honing their capacities to acquire higher academic qualifications and achieve their career goals.

We ensure to provide the students with a supportive and stimulating environment in which they are encouraged to develop and enhance both personality and professionalism. Since our team believes in performance but not in promise, we are dedicated to provide students a sound and innovative business and development studies education that will guarantee success in global environment. We don't give fish to our students rather we teach them how to fish themselves.

It is indeed very hearting to know that our graduates have been performing very well in their higher studies, careers and life. A strong, dedicated, enthusiastic, creative and productive management team coupled with a pool of well experienced and devoted faculties have led to outstanding result and esteemed fame of the college. I look forward to welcoming you at Camad College.

Ram Sharan Tripathi
Principal

BBA PROGRAM

BBA at the Camad College is designed specifically for students who are aiming to join the business world. As a leading business school, the College provides the students a sound and innovative management education focusing on finance, marketing and human resource management. Bachelor of Business Administration (BBA) is a 120 Credit- hours graduates program. It has eight semesters in total. The Program aims at educating students and preparing them for handling managerial position to start professional career in business or public management. It enables them to take over responsible position in domestics and global organizations with modern interpersonal skills and technical know-how of the recent trends in global business. The program helps to develop positive attitudes, abilities and practical skills that are needed for the competent and responsible manager.

BDEVs PROGRAM

The Bachelor in Development Studies program is a multidisciplinary program designed to meet requirements of skilled human resource in the field of socio-economic development of Nepal. The course covers diverse issue of development like economics, gender, population, governance, environment, sustainable development, research and project management etc. The course is appropriate for students who want to pursue their career in INGOs and international organization, government sector, NGOs and development projects. Further study in foreign countries and research are among the good options a BDevS graduate can choose. Some of our BDevS graduates have started to create their own spheres in the professional and academic spaces. Specifically, the BDevS program has been designed to:

- Develop the academic skills and attitudes necessary to comprehend and evaluate the concepts of social and economic development.
- Assist students to solve various problems in the society by means of practical approaches using models and innovative solutions.
- Develop the ability to review, consolidate, extend and apply the knowledge and techniques to real world situations
- Impart students the principles and practices, challenges and opportunities of development for making the society prosperous and advance.

Teaching Approach

The College encourages participatory learning; uses a combination of integrated multisensory interactive approaches so that students are able to learn emerging management concepts, techniques and tools. 'State-of-the-Art' methodologies are applied to empower students, strengthen their skills and galvanize the effort to produce the efficient human resource for the development of the country.

With a view to providing students the basic concepts and analytical skills in decision making in different situations, the College uses various techniques: Lecture, group discussions, project work, assignment, case studies, field visit, business games, workshop/seminars, simulations etc. In order to foster communication and interpersonal skills, students are involved in individual/group presentation, group discussions, field visit etc. The medium of instruction is English.

Regular Faculties
Visiting faculties
Presentation
Group Work
Workshop/ Seminars
Field Visit
Project Work and Report Writing

Examination and Evaluation

In addition to the given framework of evaluation criteria of Pokhara University, concerned instructor evaluates student's performance by means of individual home assignment, group exercises/ presentation, internal examinations, class activities etc. Besides, each student's performance is closely monitored by the College management.

Facilities and Support

With its objective of providing quality education to the students by indoctrinating them the ability to review, consolidate, extend and apply the knowledge and techniques to real world situations, the college provides abundant facilities and supportive environment.

SERENE AND SPACIOUS COLLEGE PREMISES

Nestled in the tranquil part of the city, Sukedhara-Kathmandu, Camad College has serene environment befitting for fostering teaching-learning activities. The spacious premises let students carry-out different extra-curricular activities for their holistic development.

LIBRARY

The College has a well-managed library containing books, journals, newspapers, magazines, reports etc for reading and

research purposes as well as for widening the horizon of knowledge and information of the students and faculty members. The study lounge encourages and inspires the students to develop study habit that will contribute for better performance in academics and deeper understanding of life.

DIGITALIZED CLASSROOM

All classrooms are equipped with in-build multi-media facility, audio-visual and computer access with internet facility. Computer and network-enabled classrooms enhance students' learning experience and assist them to get most out of the course in an interactive way.

SOPHISTICATED COMPUTER LAB

Camad College has a sophisticated computer lab with sufficient numbers of computers with 24-hour high speed internet service to facilitate students' academic goals for instruction, research and presentation.

CANTEEN

Camad College has a spacious canteen in its premises that provides fully hygienic canteen facilities with professional staff to serve the students, college staff and visiting guests with standard food items for breakfast, snacks and main courses. Varieties of local as well as common items are served at the canteen at reasonable cost.

A young woman with long, dark, wavy hair is captured in a dynamic pose, jumping upwards with her arms outstretched to catch a basketball. She is wearing a bright blue sleeveless sports jersey with a red and black patterned trim along the neckline and armholes. Her expression is one of joy and focus, with a wide smile. The basketball is a standard orange color and is positioned in the upper left corner of the frame. The background is a blurred indoor sports arena with spectators visible in the stands. A large, semi-circular purple graphic element is overlaid on the left side of the image, containing the text for the 'GAMES AND SPORTS' section.

GAMES AND SPORTS

To foster students' all round development, the College organizes different games and sports regularly in coordination with Camad Student Club. Additionally, students are taking part in different sports tournament organized by different organizations in Kathmandu and has a remarkable record of victory.

CAREER COUNSELING

Camad College offers career counseling to students for more informed and better educational and career choices. Helping students choose a field that is in tune with their skills and their job expectations is crucial for success in their professional and personal lives.

EVENT MANAGEMENT

The College organizes different cultural and entertaining events regularly in which students are assigned with the responsibility to manage those events. This fosters team work, leadership qualities as well as ownership and attachment towards our cultural festivals.

SCHOLARSHIP

Camad College believes that students with demonstrated performance to excel in academic programs should not be deprived of quality education due to financial constraints. As such the College, through the "Ganesh Man Singh Memorial Scholarship Fund" provides scholarship in the form of grant to deserving and needy students every year. Besides that, Camad College has a provision of "College Topper Scholarship" and "Meritorious Students Scholarship".

Entry Requirements & Admission

ELIGIBILITY

Students who have successfully completed Higher Secondary Level (10+2) or Intermediate Examination or Proficiency Certificate Level (PCL), or "A" level, or equivalent as recognized by Pokhara University are eligible to apply for BBA or BDevS program. The provision set by Pokhara University is applicable regarding the grade the students should obtain to join BBA/BDevS.

DOCUMENTS REQUIRED

It is mandatory to submit the following documents with application form that can be collected from the college.

1. Duly completed and signed application form.
2. Photocopy of official transcript of 10+2 or similar level.
3. Photocopy of SEE/SLC mark sheet and character certificate.
4. Passport size photos (3 copies)

Training & Research

Students will be given ample opportunity to participate in its training and research activities. Self-discovery through personal as well as group initiatives will be encouraged to develop sense of shared responsibility and team spirit. Students will also be introduced to social services at the community level so as to develop a link with the community. With mutual collaboration, College has been providing various personality development courses such as leadership development, presentation skills, time management, communication skills etc.

LEADERSHIP DEVELOPMENT

Camad College provides an excellent environment to transform students into leaders in their respective fields. Students learn theories as well as the practical aspects of leadership skills. Regular presentation, activities of Camad Students' Club, extracurricular activities, sports etc helps students to develop different skills like communication, problem solving, decision making, event/program management, social and emotional management, time and conflict management, self awareness and self discipline etc which in turn foster one's leadership skills. Besides this, the College also organizes leadership development and motivation related Guest Lectures and seminar.

ENTREPRENEURSHIP DEVELOPMENT

Developing students' entrepreneurial skills has been one of the major focuses of Camad College. In addition to the theoretical knowledge on the subject, students are encouraged to dive into real world business by translating their creative and unique business ideas into real business. As they have detail understanding of national and international business and legal environment, they can easily establish their own businesses. Additionally, the College has a pool of experts in the field of business management to mentor the students.

INDUSTRIAL VISIT/ INTERNATIONAL EXPOSURE

Camad College provides opportunities to the students to participate in national and international Industrial Visits and International Exposure. Inspiring students and engaging them in active learning experiences, it is important to let them understand the outer world. It enables them to develop the power of observations, exploration, judgment and drawing inferences and problem solving ability.

INTERNSHIP AND JOB PLACEMENT

All the students have to undergo internship program to an organization for practical exposure. The objective of the internship program is to acquaint students with the real-life situation. This will provide an opportunity to apply theoretical concepts into practice. With its strong institutional base as well as wide outreach to business communities and government and non-governmental organizations, students will be given special attention for their job placement. Active placement services will start once the students reach the final year of their program.
