BSc.CSIT BCA

Teaching Methodology

Each course follows a pre-determined lesson plan prepared by its respective faculty members. Students are made aware of the relevancy of the course and its practical implications. Our department uses e-learning methodology where the faculty members share their assignments, Notes, E-books, handbooks, slides, useful software and other materials to the students. The teachers encourage the students to submit their assignment through the mail system. Teachers have their own Google groups or FB page/group where student are given submission deadline for the assignment, projects, group discussions, presentation topics, etc. Students are encouraged to interact during and after class hours. They are also encouraged to indulge in individual and group researches.

Non-Credit Professional Courses

St. Lawrence College has prepared a customized course for the BCA students apart from the course curriculum prescribed by TU that included various career and profession oriented non-credit courses in different semester. These courses will be commenced as follows:

1st Semester	Static Webpage Designing (HTML/CSS/JavaScript)
2nd Semester	Dynamic Webpage Designing (PHP/MySQL)

BA (BSW)

Bachelor of Social Work (BSW)

Bachelor of Social Work (BSW) program of Tribhuvan University prepares students for entry-level practice in social work. Social Work is one of the helping professions committed to improving people's lives. Social workers may assist people in dealing with their relationships, in solving personal and family problems, or in improving the environment in their community. Social workers focus on social problems and the individual difficulties that arise from these social problems. These problems may include domestic violence, child abuse, unemployment, poor or no housing, disability, and serious illness. Most social workers work in organizations or agencies whose missions focus on helping people deal with one of more of these social problems in their lives.

BSW prepare graduates for service in the social work profession and for advanced study in social work and related disciplines.
