//////////////////// Part IV //////////////////////
Admission Majors and Research Orientation

| College | Awarded Degree | Major | Research Orientation | Duration (academic year) |
|---|----------------|---|---|--------------------------|
| Navigation College | Engineering | ★Traffic Information Engineering and Control | Marine information engineering | 2 |
| | | | Ship motion control | |
| | | | Navigation simulation | |
| | | | Marine intelligent transportation engineering | |
| Marine Engineering College | Engineering | ★Marine Engineering | Modern marine engineering management | 2 |
| | | | Marine mechatronics | |
| | | | Marine automation and intelligence | |
| | | | Ship's dangerous goods transport management and pollution prevention | |
| | | | Marine intelligent manufacturing | |
| | | | Ship green energy and power system | |
| | | | Marine micro/Nano energy and Self-powered systems | |
| College of Marine Electrical Engineering | Engineering | ★Electrical Engineering | Power electronics technology and motion control of intelligent ship | 2 |
| | | | Electrical technology and autonomous control of intelligent ship | |
| | | | Intelligent ship electric power system and electronic propulsion technology | |
| | Engineering | ★Control Science and Engineering | Control theory and control engineering | 2 |
| | | | Intellisense and autonomous control | |
| | | | Robotics and unmanned aerial systems | |
| Information Science and Technology College | Engineering | ★Information and Communication Engineering | Navigation and radar information system | 2 |
| | | | RF communication theory and technology | |
| | | | Photoelectric information detection and processing technology | |
| | | | Mobile communication theory and technology | |
| | | | Signal and image processing theory and technology | |
| | Engineering | ★Computer and Science Technology | Computer software and theory | 2 |
| | | | Computer applications technology | |
| | | | Computer network and information security | |
| | | | Artificial intelligence | |
| College of Transportation Engineering | Engineering | ★Logistic Engineering and Management | Logistics system optimization and simulation | 2 |
| | | | Logistics system engineering and supply chain management optimization | |
| | | | Logistics information management | |
| | | | Logistics development strategy and tactics | |
| School of Maritime Economics and Management | Management | ★Business Administration | Enterprise management | 2 |
| | | | Strategic management | |
| | | | Financial management | |
| | Engineering | ★Comprehensive Transportation Science and Engineering | Smart Ports and Multimodal Transport | 2 |

| College | Awarded Degree | Major | Research Orientation | Duration (academic year) |
|---|----------------|--|---|--------------------------|
| Environmental Science and Engineering College | Engineering | ★Environmental Science and Engineering | Pollution prevention and energy saving technology | 2 |
| | | | Environmental monitoring and testing | |
| | | | Ecological environment management and planning | |
| | | | Carbon reduction and resource utilization | |
| College of Artificial Intelligence | Engineering | ★Artificial Intelligence | Big data intelligence and knowledge engineering | 2 |
| | | | Natural language processing and machine learning | |
| | | | Intelligent unmanned systems and swarm intelligence | |
| | | | Machine vision and multi-modal data processing | |
| | | | Trusted artificial intelligence and ubiquitous security | |
| School of Law | Law | ★Law | Maritime law | 2 |
| | | | International law | |
| | | | Civil and commercial law | |
| | | | Environmental and resource protection law | |
| | | | Criminal law | |
| | | | Constitution law and administrative law | |
| | | | Jurisprudence | |

//////////////////// **Part V** //////////////////////
Application Materials

1. Application Form for Chinese Government Scholarship: please follow up with the steps of attachment with “Instructions of the Chinese Government Scholarship Information System”

Note: Please do not make online application once more through DMU International Students Online Application System.

2. Notarized Highest Diploma: documents in languages other than Chinese or English must be attached with notarized Chinese or English translations;

Notes:

① If you are a graduate of the year you apply, please submit an official proof of student status&pre-graduation certificate which must be marked with the expected graduation date and the time to obtain the prospective diploma.

② If you are an employed person, apart from the degree certificate and transcripts, please also submit the certificate of employment and Employer’s Recommendation and Consent Letter.

3. Academic Transcripts (since the study duration of bachelor degree): notarized copies of all undergraduate/master’s (if have) and latest semester transcripts should be submitted by the applicant. Transcripts in languages other than Chinese or English must be attached with notarized translations in Chinese or English.

4. A Study Plan Proposal: A study plan written in Chinese or English shall contain more than 1,000 characters or words. The study plan or research proposal should include educational background and work experience, results of academic research, **research orientation** and plan for your applying major, and personal goals and plans after graduation, etc.

Note: the research orientation, which is the most important information for the related college to assign the supervisor for the applicant, must be written clearly in the study plan

5. 2 Recommendation Letters: the letters should be issued in Chinese or English from professors or associate professors, who used to be employed by the former study institution. (with details including the comprehensive abilities and evaluation of development in future).

6. The copy of Foreigner Physical Examination Form and the Blood Test Report: A photocopy of the Foreigner Physical Examination Form completed in English (the original copy shall be kept by the applicant). The form is designed by the Chinese quarantine authority and can be obtained from the dispatching authority. The physical examinations must cover all the items listed in the Foreigner Physical Examination Form. Incomplete records or those without the signature of the attending physician, the official stamp of the hospital, or a sealed photograph of the applicants are invalid. The Blood Test Report should include results of HIV, V.D.R.L, HbsAg and HCV.

Please select the appropriate time to take a physical examination as the result is valid for only 6 months.

7. Photocopy of Valid Passport: the photocopies should include all the personal Information and the expire date of passport should be later than September of 2026. For the applicants who are already in China, the copies of current visa page should be submitted also.

8. English Level Certificate: The applicants must have acquired the English proficiency of IELTS 6.0/TOEFL 90 scores when applying for English taught master's or doctoral programs (for the ones whose official language is English or who cannot provide official English certificates, the applicants must have proof with the experience of being taught in English during their study before and pass the equal level English test organized by DMU ;

9. Certificate of Non-Criminal Record: should be issued within 6 months by related police department in local country.

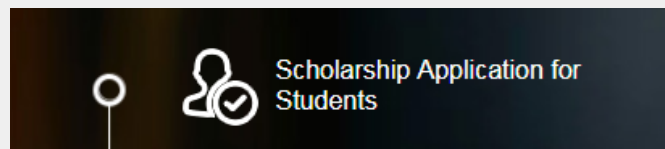

10. Copy of Photograph: the size should be 3cm*4cm, with white background and not bigger than 2M)

11. Others: If an applicant has published any paper, been granted any award or scholarship, or has any other certificate of academic ability, the title, abstract and publication or any other valid documentation shall be provided.

Note: The Applicants should truthfully fill in the application form and provide the valid application materials and send all the application materials in zip format to official email address of study@dlmu.edu.cn. The email should be named as "DMU+ Serial No.+Full Name" (Failure to submit application materials by email shall be deemed as abandonment).

//////////////// Part VI ////////////////// Application Procedure

★ Step 1: Visit <http://www.campuschina.org>, click "Scholarship Application Online for International Students" and complete the required information and submit the required materials. The 'Program Category' is **Type A** and 'Agency Number' is **0027** (Once the correct 'Agency Number' is entered, the name of the agency will be recognized as **Ministry of Transport of the People's Republic of China** automatically)

★ Step 2: Send all the application materials in ZIP format to official email address of study@dlmu.edu.cn. The email should be named as "DMU+ Serial No.+Full Name" (Failure to submit application materials by email shall be deemed as abandonment)

//////////////// Part VII ////////////////// Admission Notice and Schedule

1. The final result of admission shall be noticed by official email to the scholars at the end of July, 2026. (the specific schedule shall be subject to the timetable of CSC)
2. Once the official admission is confirmed, the Admissions Notice and JW201 Form shall be posted by delivery or sent through official email by DMU.
3. Once the official admission is decided, the seat of scholarship should be not given up or transferred by the scholars optionally. The Admission Institution, Admission Major and Duration of Study should be not modified basically. After entry to China, the scholars should comply with the related regulations for International Scholarship Students.

Appendix:

Instructions of the Chinese Government Scholarship Information System

Step 1: Visit <http://www.csc.edu.cn/studyinchina> or www.campuschina.org and click “Scholarship Application Online for International Students” .

Step 2: Read “Tips for online application” carefully before clicking “NEXT” to the registration page.

Step 3: Log in with your user name and password. For new user, please click “Create an account” for registration.

Step 4: Fill in the correct Program Category and Agency Number. An Agency Number represents a specific application receiving agency and a correct choose of Program Category is necessary before filling in the Agency Number. Please make sure you fill it in correctly, otherwise you will not be able to continue your online application or your application will not be accepted.

Your ‘Program Category’ is : Type A and ‘Agency Number’ is: 0027 (Ministry of Transport of the People's Republic of China). Once the correct ‘Agency Number’ is entered, the name of the agency will automatically emerge.

Step 5: Fill in the Online Application Form and Upload Supporting Documents truly, correctly and completely following the steps listed on the left of the page. Applicants are required to select a discipline before choosing their majors. Please refer to the Disciplines Index, which could be downloaded from Help, if you have any doubt about the disciplines and majors.

Step 6: Check each part of your Application carefully before submitting it. Click Submit to submit your Application. The submitted documents will be the only reference for the applied universities to confirm the admission.

Step 7: You can make changes to your application by clicking Withdraw and Edit the Application on the top of the page. But make sure to submit it again by clicking Submit after finishing all the changes. Otherwise, the retrieved application will become invalid and your new application will not be received either.

Step 8: You can download and print the completed Application Form by clicking Print the Application Form.

Step 9: Send the paper application form and other supporting documents to the dispatching authorities if they require you to do so.

*Please use Firefox or Internet Explorer (11.0). Menu selection functions may not work in other browsers.Only Chinese and English are accepted for the online application
