Studying at KIST was a transformative journey. Coming from outside the valley, I was initially overwhelmed, but the supportive faculty and the disciplined yet welcoming environment helped me gain confidence and clarity. I'm thankful for the strong foundation that led to my IOE scholarship. KIST is ideal for science enthusiasts.

**Aakrit Baral**  
2nd Topper, NEB 2081

KIST gave me a strong academic base and soft skills through its structured curriculum and co-curricular focus. Supportive teachers and a disciplined environment helped me grow. I'm truly thankful for my time at KIST—it prepared me well for life ahead.

**Aaisha Chaudhary**  
Internship at Philips (Alumni)

My two years at KIST were among the most memorable of my life. More than an institution, KIST felt like a family — nurturing my growth academically and personally in a motivating, inclusive environment. The exceptional faculty delivered quality education while encouraging excellence in ECAs. Their guidance and dedication shaped my confidence and helped me discover my true potential. KIST has given me lifelong values, friendships, and a foundation I will always be grateful for.

**Armaan Ansari**  
Science Batch 2080-BIT Batch 2082, KIST  
Inductee in Microsoft Hall of Fame

KIST made my +2 journey fulfilling with its peaceful setting, excellent labs, and motivated faculty members. Through academic and other programs, I gained confidence and improved for entrance exams. I'm grateful to KIST for shaping my future and highly recommend it.

**Bhim Bahadur Bohora**  
MBBS (Alumni)

Serving as President of the Youth Red Cross Club at KIST was a truly transformative experience. I led key initiatives including a blood donation program with Himal Hospital, building on my active volunteering since 2081. This journey deeply strengthened my leadership, social responsibility, and lifelong commitment to humanity's core values

**Stuti Singh**  
President, Youth Red Cross Club

KIST's positive environment genuinely nurtures both academic and personal growth. As President of the Creative & Performing Arts Society, I led various programs, actively participated in volunteering, and contributed creatively on very special occasions. These rich experiences built my teamwork, communication, and leadership skills, preparing me confidently for future challenges

**Yunik Magar**  
President, Creative & Performing Arts Society

My journey at KIST evolved from quiet academics in grade 11 to real achievement as Vice President of the Computer & IT Society in grade 12. Competing in inter-college events, building winning projects, and receiving unwavering faculty support sharpened my technical, problem-solving, and teamwork skills — making KIST truly empowering.

**Anjali Thapa**  
Vice President, Computer & IT Society

Being part of KIST College for both +2 and bachelor's studies has been truly enriching. The knowledgeable faculty encourage critical thinking beyond textbooks, while the inclusive learning environment fosters collaboration and creativity. Extracurricular activities contribute to well-rounded development. The cooperative administration maintains a safe, disciplined, and inspiring atmosphere. KIST has shaped my academic foundation and personal growth in meaningful ways.

**Aayush Raj Basnet**  
Science Batch 2080-BITM Batch 2082, KIST

Having completed my +2 at KIST College and now pursuing my BBA here, my experience has been consistently positive. The faculty were approachable and genuinely invested in student growth. Science students benefited from strong lab work, while Management students gained confidence through presentations. KIST's disciplined yet comfortable environment, rich extracurricular opportunities, and wide range of programs make it an ideal place for both high school and higher education.

**Kritima Acharya**  
Science Batch 2080-BBA Batch 2082, KIST

I feel proud to be a +2 graduate of KIST College. The college balances academic excellence with extracurricular activities that build creativity, leadership, and teamwork. Well-maintained labs, workshops, and a helpful library strengthened both theoretical and practical learning. The friendly and knowledgeable teachers guided us with patience. Events like the KIST Fair encouraged real innovation. KIST truly prepared me for both education and life.

**Khushi Bala Shrestha**  
Science Batch 2080-BIT Batch 2082, KIST

My two years at KIST were about more than studying — I made wonderful friends and participated in memorable events like the KIST Fair. The friendly environment and incredible teachers were always available whenever students had doubts. Vibrant club activities, including the Blood Donation Camp, Teachers Day, and Saraswati Puja, made college life truly lively. I am proud and grateful to be part of the KIST family.

**Sanjita Khadka**  
Science Batch 2080-BIT Batch 2082, KIST

My time at KIST College was helpful and memorable. The teachers were friendly and always ready to explain topics clearly, and the positive college environment made learning more enjoyable. I also had opportunities to participate in various activities, which improved my confidence and communication skills. Overall, KIST supported my growth both academically and personally, and I am truly grateful for that experience.

Imagining

# Be Creative Creators: Imagine, Innovate, Inspire

We encourage students to be creative creators, shaping a positive future through innovation. The "Imagineer" concept empowers students to turn imaginative ideas into practical solutions using science and technology. By fostering a spirit of optimism, we inspire young minds to transform challenges into opportunities for growth.

CCAs

# Expand Your Mind: The CCA Advantage

Co-curricular activities at KIST bridge academics and personal development, enhancing intellectuality, leadership, and social skills. These vital activities promote self-confidence, discipline, and healthier lifestyles. Balancing academics with CCAs helps students achieve stronger academic results, build meaningful connections, and form a unified, engaged community of future-ready learners

## Benefits of CCAs

- 1**

Specialized Skills through talent search & competition
- 2**

Strengthened Self Confidence by fitness & sportsmanship
- 3**

Exposure to New Activities broadens their outlook
- 4**

Sense of Responsibility by handling tasks & accountability
- 5**

Overall Personality built through experiences
- 6**

Improved Academic Performance by balance & time-management
