Bachelor of Information Technology

An Extra Edge

KIST provides a broad array of non-credit inputs for its students throughout the semesters. These non-credit inputs supplement the regular classes as they meet the diverse learning needs of students and improve their employability. Moreover, these additional inputs build technical competencies, problem solving abilities, and managerial skills.

First Semester

- Computer Basic Training (Word, Excel & PowerPoint)
- Guest Lecture
- Personality Development Training
- C Programming Project

Second Semester

- C++ Project
